Our five **core values** drive everything we do

# Introducing PinFlex!

At Pinterest, we know that our best work happens when we feel most inspired. PinFlex promotes flexibility while prioritizing in-person moments to celebrate our culture and drive inspiration.

## What is Knit Con?

Every year, Pinterest hosts Knit Con, our two-day internal event to foster creativity and collaboration. Pinpoyees close their laptops, put on their Knit Con swag, and gear up to have fun and learn from their fellow coworkers.

# Pinterest Pinclusion Groups

Pinclusion Groups at Pinterest are company-sponsored, employee-run groups focused on making Pinterest a better product and a better place to work by **advancing belonging and inclusion**.

Employee communities comprise members and allies who play a critical role in **breaking barriers and building awareness** both within Pinterest and in society at large. Full-time, intern, and contract employees are encouraged to join our Pinclusion Groups.
